

Short Case Axial Fans

Application

 Suitable for duct mounting in any position, with a compact flanged casing for ease of installation to ductwork.

Design

• Galvanised steel fan casing with powder coated finish.

Motor

• External rotor motor in 240V single phase & 415V three phase, four and six pole options. Motors are speed controllable.

Protection

• IP54 with integral thermal protection.

Impeller

• High efficiency fixed pitch axial impellor.

Technical Data & Specification

• Email info@blaubergventilation.com.au for all technical data, sizes, fan curves, noise specification or any other information required.
